

June 1st 2020
Otsuka Mechatronics Co.,Ltd. (OMC)

**Latest Information : Our response to prevent the spread of infection
COVID-19**

Thank you very much for your continued support.

The government announced on May 25, the "Emergency situation declaration" of all prefectures was lifted, but we will continue the following work system to prevent new corona infection.

We apologize for any inconvenience caused during the limited period, and we appreciate your understanding.

1.New system

To prevent infection with the new coronavirus, we recommend working from home and continue to keep the attendance rate at around 50%.

2. Offices

All our offices are covered.

- Head office
- Tokyo branch
- Osaka branch

3. Implementation period

June 1st 2020 to June 31st 2020

4.About emergency contact information

Please contact our representative directly by e-mail or mobile phone, or from our website.
