Latest Information : Our response to prevent the spread of infection COVID-19

Thank you very much for your continued support.

Currently, the third state of emergency has been issued in 9 prefectures (Hiroshima was added on May 16).

However, we have the following work system to prevent infection.

We apologize for any inconvenience caused during the limited period, and we appreciate your understanding.

1.New system

In principle, we are currently working from home (Tele work) to prevent infection with the coronavirus,

2. Offices

All our offices are covered.

- Head office
- Tokyo branch
- Osaka branch

* To prevent infection, we are reducing contact opportunities as much as possible visiting to and from customers and clients.

3. Implementation period

May 14th 2021 to May 31st 2021

4.About emergency contact information

Please contact our representative directly by e-mail or mobile phone, or from our website.
